2015 Annual Report
Open House at St. Laurence
Year-End Sports Update

Fall 2015
Dear Friends of St. Laurence,

As I reflect on where we have been and where we are headed as a school, I am proud to be a Viking. This is all thanks to the faculty and staff, alumni, parents and students who remained committed and courageous during these transformative years.

Our faculty members were bold in enhancing the Viking education and building on our athletic foundation to defend the glory of the black and gold. Although we faced challenging waves, their courageous attitude and heartfelt commitment to the Edmund Rice Christian Brothers helped us achieve many successes.

St. Laurence is one of the only all-boy Catholic High Schools that showed an average increase in test-takers the past three years, and our enrollment is on track to grow by 10% over a four-year period. We have also seen improved attrition rates. By valuing our students and preparing them to be 21st century leaders, we achieved these successes. We have remained unique with our academic schedule and curriculum, university and corporate partnerships, and consistent facility enhancements, along with our four-year leadership program.

Since 2012, St. Laurence made many faculty and facility enhancements required to provide a better educational and athletic experience for our students. These include, but are not limited to, consistent salary increases and an improved pension plan for our faculty, wireless access throughout the entire building, an updated phone system, improved technology in the library, a varsity basketball locker room, a wrestling room and new mats, a multi-purpose turf room, a new band room, tile abatement for our academic halls and wings, and an energy-efficient boiler system.

These dramatic improvements to our school could not have happened without your support. Thank you for participating in our networking luncheons, college internship program, and mentorship program. Thank you also to those who updated their information for the 2016 alumni directory. Due to these efforts, our alumni donor percentage improved by nearly 25% in three years and we experienced an extremely successful Annual Fund ‘16, closing at $539,390. We also had 272 new donors in three years, which is nearly 160% increase in total new donors since AF12.

While much progress has been made, there is still work to do. We must continue to raise money to support growth in spirituality, leadership, academics, athletics, and scholarships.

As always, you are the foundation for success and I continue to ask you for your support in prayers, time, and financial commitment. Please stop by to see these enhancements. It would be great to show you around and provide you an update.

Please help us Seize Victory on our future endeavors. Thank you and God Bless.

Warm Regards,

Joseph A. Martinez ’99
President
VISION | FALL 2015

VIKING WELCOME

Truth in Details

St. Laurence is proud to announce another successful turnout at the entrance exam this year. We had an outstanding percentage of our testers register, which resulted in our freshmen class being the largest in the school. What is most impressive about this group is that 39% of them were placed in our AP or Honors Programs.

The administration, faculty and staff have done an outstanding job implementing and enhancing all of our new initiatives that makes St. Laurence a unique choice for students. The best way for students to experience this is by attending a Viking Visit Day or an Open House.

If you know any students who are interested in St. Laurence, please contact the Admissions Office at (708) 458-6900 ext. 252, or fill out the student information form on our website to receive communication on upcoming events. You can also stay connected with St. Laurence on Facebook, Twitter, Instagram, LinkedIn and YouTube.

Thank you all for your continued support and GO VIKES!

Congratulations to the Class of 2015 for breaking the record for scholarship money earned, making them the highest earning graduating class in the history of St. Laurence!

Joe Spano ‘94
Director of Admissions
Driver’s Ed Coordinator
Transportation Coordinator

Important Dates

GAME NIGHT WITH VIKING SOCCER
Thursday, October 8, 2015
vs Providence Catholic

VIKING VISIT DAYS

SHADOW DAY/BASKETBALL CLINIC
Friday, October 9, 2015
Students who shadow have the opportunity to participate in a free Basketball Clinic run by the STL coaching staff and players held immediately after school.

SHADOW DAY/BASEBALL CLINIC
Monday, October 12, 2015
Students who shadow have the opportunity to participate in a free Baseball Clinic run by the STL coaching staff and players held immediately after school.

OPEN HOUSE I
Sunday, November 1, 2015
10 am to noon

OPEN HOUSE II
Sunday, December 6, 2015
10 am to noon

FUTURE VIKINGS FOOTBALL CAMP
Sunday, January 3, 2016
10 am to Noon
For 7th and 8th graders

ENTRANCE EXAM
Saturday, January 9, 2016
8 am
Please bring #2 pencils and $25 testing fee

For more information or to schedule a visit, please contact Mr. Joe Spano at 708-458-6900 or jspano@stlaurence.com

Transportation

St. Laurence offers a safe and affordable resource to get to and from school. Students have the option to be picked up by a St. Laurence/Queen of Peace mini-bus or yellow bus, exclusively for St. Laurence and Queen of Peace students. Buses will pick up and drop off students at a location that works best for the students and their families. St. Laurence owns (4) 14-passenger mini-buses that meet the required federal safety standards. For more information regarding our routes, please contact Mr. Joe Spano at 708-458-6900, x 252.
SPIRITUALITY

While our mission is directed by the Catholic faith, St. Laurence is also catholic (universal) in welcoming students of all faiths.

Father Norman Trela
School Chaplain

St. Laurence High School is an all boys Catholic high school. While our mission is directed by the Catholic faith, St. Laurence is also catholic (universal) in welcoming students of all faiths. It is the school’s intention to develop leaders for society. That leadership is nourished by faith and a personal relationship with Jesus. Our patron, St. Laurence, stands as a model to be followed in generosity, self-giving, understanding, service, and good will, to name a few. Our students are encouraged to participate as they are able, and to give of their time, talent, and treasure for their own good and the good of others.

83% of the students at St. Laurence are Catholic.
St. Laurence students are recognizing the ways their leadership development makes them more prepared for life after high school. With the importance that St. Laurence puts on leadership, there are many opportunities students receive, of which they are taking advantage. The new partnership with Lewis University is a huge success. Life and Career in the Emerging Workplace, which is an undergraduate course at Lewis, was adjusted and tailored specifically for our upperclassmen to receive college credit. Professors of the course, which was held in the Leadership Center at St. Laurence, were Roman Ortega and Joseph Volin, a 2006 graduate of St. Laurence. “I am impressed with the quality of college preparation that the student’s exhibit and the natural transition they have made to Lewis University. Also evident is the leadership ethos that permeates all scholastic endeavors and classroom interactions at St. Laurence. They are some of the best high school students that I have ever worked with,” said Ortega.

In addition to taking a college course, our students are accepting challenges to put their leadership development into action in a variety of settings. STL junior Josiah Jurevis attended the Illinois Leadership Seminars (ILS) at North Park University. Junior Ramon Flores attended the Hugh O’Brian Youth Leadership workshop at Loyola University. Junior Christian Ferrer and seniors Chris Wetzel and Matt Shonder attended “Learning to Lead” at Lewis University. There is also a group of 30 seniors who will be leading a team for our Team of Teams program. In the past, the teachers have been the facilitators and mentors for the teams. It’s time for our students to put everything they are learning about leadership to work by being in charge of a group of 14-16 of their peers. This will give them some hands-on experience of what it is like being in charge of a team. Among the responsibilities of these students will be communication within their team, decision-making and problem solving, creation of challenges and competitions, decisions on service and fundraising opportunities.

There may continue to be a leadership void in many factions of our society, but here at St. Laurence High School, we continue to stay positive, innovative, and morally and ethically strong in our leadership development. Our passion and mission is one focused on progress, growth and maturation of the whole individual in order to come together, move forward, and leave no one behind. **Sail On Vikings!**

Our passion and mission is focused on progress, growth and maturation of the whole individual in order to come together, move forward and leave no one behind.
As we begin the 2015-2016 school year, we will continue to concentrate on academic collaboration. We will continue our academic partnerships with Lewis University and DePaul University with our STEM and Leadership initiatives.

Dan Keating ’79 will be teaching an ACT prep course to juniors on Saturdays at St. Laurence. The ten-week, three hours per session course will cover all areas of the ACT process. Dan’s students have shown much success on the ACT test after taking this prep course.

Dan graduated from the University of Chicago Law School in 1986. He is starting his 28th year as a Law professor at Washington University School of Law in St. Louis. Dan was twice voted Outstanding Professor of the Year by the law students at Washington University. He also received the Distinguished Faculty Award from Washington University and served three terms as Interim Dean at Washington University School of Law. Dan has more than 10 years of experience as an ACT tutor and teacher. He uses teaching techniques that are supported by the most current studies on efficient learning. He has authored or co-authored three books and more than two dozen scholarly articles.

In addition to Dan Keating’s work with ACT prep, Jim Reilly ’79 introduced STL to “Partners for Achievement.” This program helps parents and students with college admissions and financial aid, while inspiring students to achieve their potential through a mentoring program. Partners in Achievement provides STL parents and students with college planning and career readiness expertise through education workshops and family consultations.

The goal is to help relieve the stress and confusion of college planning by guiding families through the process. Partners in Achievement works with students to identify a major and field of study, build a strong college list, enhance essays and personal statements, submit applications and complete all necessary financial aid forms. The mission of this program is to empower parents with the knowledge needed to create a personalized college achievement plan while mentoring students to achieve success in high school, college and beyond. Partners in Achievement currently advises over 250 families from more than 50 school districts throughout the Chicago-land area.

Partners for Achievement helps parents and students with college admissions and financial aid, while inspiring students to achieve their potential through a mentoring program.
Year-End Update  The Viking student-athletes continue to “Defend the glory of the black and gold!” This past winter saw Coach Maley guide the basketball team to the most wins since 2008-09. This included winning the Stagg Thanksgiving tournament and earning a Top 10 ranking in the Southtown early in the season. Coach Maley will look to build upon this success in his 2nd year at the helm. Additionally, the wrestling team produced some great individual performances, as 3 Vikings qualified for the State Finals. Senior Frank Tomaskovic led the way with a 6th place finish at heavyweight.

In the spring, the baseball team won their 5th straight Regional Championship. They now have captured 8 Regionals in the 10 years that Pete Lotus has been the head coach. The Vikes return a lot of talent and will be looking to capture another CCL Blue title while chasing a state title next season. Also, the lacrosse team posted another solid season, as they finished the regular season in the top 15 of their class. Meanwhile, the bass fishing team sent a boat to the State Finals for the 3rd straight year. Santo Munizzi and Paul Petan were the members of the qualifying boat for the Vikings.

As we put the 2014-15 school year into the history books, we are confident our student-athletes will continue to excel on and off the field this year, and invite you to attend home sporting events and see our teams in action!

Viking Voyage  We are very excited to announce that Jim Tracy ‘72 has joined the athletic department. Jim’s focus will be on development efforts for athletics, primarily the Viking Voyage. His work will be instrumental as we continue to grow the Viking Voyage. Jim will be reaching out to many of our alumni athletes and former coaches for support in growing the Viking Voyage.

Thank you to everyone who supported the Viking Voyage this past year. We had the best year yet, and are looking to build upon that this year. Thanks to your generosity, we were able to start improvements in the Charles Grunhard Fitness Center.

We are still working toward our goal to replace all the equipment. If you would like to support the current project, or any of our specific athletic programs, please contact Jim at 708-458-6900 x253 or jtracy@stlaurence.com.

New Hires  In addition to adding Jim Tracy to the athletic department, we are excited to welcome Jay Clarke as the new Head Lacrosse Coach and Clayton French as the new Head Wrestling Coach.

Coach French comes to the Vikings from downstate Mt. Carmel High School, where he was the head coach last year. Previously, he was an assistant coach at Willowbrook High School for 6 years. Clay wrestled at Eastern Illinois and then joined the coaching staff at EIU when he graduated. He also got started in mixed martial arts while in college and has compiled a 20-7 record in his career. Clay has bolstered his staff with the additions of Carson Beebe and Joe Phelan. Beebe was a 3-time State placer at Montini. He is also an MMA fighter and helps run Beebe Trained School of Wrestling with his brothers. Meanwhile, Phelan has been the longtime head of the Badgers Wrestling Club and brings over 20 years of coaching experience with him.

Coach Clarke takes over the lacrosse program looking to build upon the successes in the program’s short history. Jay played lacrosse at Marian Catholic and then at Illinois State University where he was a 4-year starter and 2-year captain. He has a wide array of coaching experience, including serving as the head coach at Marian Catholic, coaching at elite camps on the East Coast, and most recently serving as the head men’s and women’s coach at Newcastle University in England. Jay has been a great ambassador for the sport and he is excited to continue to grow it at St. Laurence and on the Southside. In addition to coaching and teaching at St. Laurence, Jay will be running a youth lacrosse program drawing from the Midway area, Burbank, and the surrounding suburbs.

We welcome Clay and Jay as exciting additions to our coaching staff. We are confident they will bring sustained success to their respective programs.

STUDENT ATHLETE SPOTLIGHT

Paul Petan ’16 is an honors student, 3-sport athlete, and tremendous leader. He attended Palos South Middle School and resides in Palos Heights. Paul is a captain for the football, lacrosse, and bass fishing teams. He is a starter and key contributor in football and lacrosse, and he is on the top boat and a returning State Qualifier for the fishing team. Despite juggling commitments to 3 sports, Paul carries an impressive 4.15 GPA.

Reflecting on his high school years, Paul says, “I am very thankful for the opportunities that St. Laurence has provided me. I have developed as a student, an athlete, and a leader. STL feels like home to me and I have built great relationships with my classmates, teammates, coaches, faculty, and staff. The fact that I have been able to be a multi-sport athlete for all 4 years without having to choose one sport over another has been one of the highlights of my experience.”
This year, we introduce the newly-formed Board Game Club and Rock Climbing Club.

I can hardly believe that school is back in session, as summer seemed to zoom by. Activities at St. Laurence keep the school filled for twelve months out of the year, including students and parents. It truly is a wonderful experience at St. Laurence year-round.

Two years ago, I was approached by a group of students regarding starting a chess team at STL. That year I moderated a Chess Club to focus on learning the fundamentals of the game while researching the most appropriate way to enable our school to become part of a league of chess teams. Graciously, a new teacher, Mr. Ben Dahm, took over the club in the fall of 2014, and became the moderator of the newly formed STL Chess Team. He and the students had a wonderful experience and hope to continue to grow as a team.

In this spring of last year I was approached once again to start a new team: Speech and Debate. Following the format and success of the Chess Team, this year school I will be moderating a Speech and Debate Club. Change that sentence to read, “We will learn the fundamentals of competing in Speech and Debate competitions, with the hope that for the 2016-2017 school year, we have enough knowledgeable, competitive members to compete with our own STL team. We also have two new clubs for this school year: Board Game Club and Rock Climbing Club.

St. Laurence is an activity-driven school, and any ideas are always appreciated and considered. Therefore, if students, parents, or alumni have ideas for new clubs or teams, please make sure to contact me. Have a wonderful first semester!
The first 50th year reunion at St Laurence, hosted by the Class of 1965, was a huge success!

Thanks to everyone who attended our inaugural all-school reunion. This was the first celebration for a 50th year reunion at St Laurence. We had a great turnout and hope you enjoyed reconnecting with friends and former classmates. We look forward next year’s all-school reunion, highlighted by the class of 1966.

Last January, we launched our first-ever Internship program. We had 18 recent graduates meet with professionals from various different fields, most of whom were fellow Vikings. This year, Gary Miller ‘72 will host a seminar on interview skills and resume building. The seminar will be held on December 16. Following this, on January 6, the prospective interns will put their skills to work and meet the intern hosts. If you would like to host a young Viking as an intern or if you are a young Viking looking for an internship, please contact Adam Lotus via email at alotus@stlaurence.com.

Viking Pride Dinner
Friday, November 6, 2015
6:30 p.m.
St. Laurence High School
$75

Join us to celebrate athletic and professional inductees into the St. Laurence Hall of Fame!

Tickets can be purchased online at www.stlaurence.com/alumni. All tickets must be purchased by November 4. For more information, contact Adam Lotus at 708-458-6900, x237
THANK YOU to everyone who helped celebrate our first 50th Anniversary Reunion weekend! We had the classes of 1965, 1975, 1985, 1995, and 2005 well-represented, along with many other alumni who attended our All-Alumni Reunion. We look forward to continuing this great tradition for years to come! A highlight of the evening was the varsity 41-20 victory over St. Ignatius in football. On Vikings!
KOZAK’S CORNER

Ed Kozak ’79
Institutional Advancement Associate
Comedy Club Moderator

Jonathan Crotty ’00 is now teaching as a reading specialist at a charter school on the west side of the city of Chicago. His wife, Julie, and he welcomed Alexander into the world last August, who is their first child. The Crotty’s live in south-suburban Mokena.

Robert Szajkovics ’77 was featured in the Daily Southtown sports section in January in Tony Baranek’s Insider Bowling column. It turns out that Bob, a Homer Glen resident, shot a 853 series, including rolling a perfect game and a 299 game, and it included 31 strikes, making it his 15th career perfect game. Congratulations to Bob on a tremendous achievement!

John Pollard ’86 checked in. He was a CPA with several firms in Chicago for 13 years, and then became an FBI agent, first in Milwaukee, and then in Phoenix for the past eight-plus years. We would tell you more about what he does, but, you know! He is married to Beth Ann and they have three children: Katelyn, Jack, and Riley. They reside in beautiful Surprise in the Grand Canyon State of Arizona.

John Supich ’86 also reported in. He is a commercial pilot, specifically, a first officer on the Airbus A-320 for Jet Blue Airways. He and his wife Angela reside in Bellevue, Michigan, located near Ypsilanti. Thanks for the update, John, and be safe.

The St. Laurence Office of Alumni Relations has learned of or been informed of the passing of the following alums since February, 2015:

October 1, 2013

Nicholas Kostyk ’03 was ordained a Catholic Priest this past May in the Archdiocese of Chicago. He attended St. Joseph Grade School in Summit. Interestingly Father Nick will have the faculties to celebrate mass in both the Roman and Byzantine Catholic rites. His first assignment is at Our Lady of Perpetual Help Parish in north-suburban Glenview. Congratulations and God Bless!

Daniel Collins ’65 reported in from the Emerald Isle in Ireland. He and his wife Adonica are both retired and decided to live across the pond. They resided in the city Cork, County Cork, and then this summer moved to Torrevieja, Spain. I think the weather’s a little nicer in Spain. He wishes all his Class of ’65 classmates well as they celebrate their 50-year reunion. Erin Go Bragh, Danny!

Dan Gregus ’79 is an Athletic Hall of Famer who helped lead his team to a Prep Bowl victory in 1978 and was recently named SEC Associate Director for the Broker-Dealer exam program in the Chicago, IL office. Dan began his career at the Securities and Exchange Commission in 1993 in the Enforcement Division. Congrats and good luck in this important position. Dan and his wife Tara live in west suburban Riverside.

Here in the alumni office, we are still trying to determine the details from one more football homecoming game — the 1969 game. If you have a certain, no-doubt-about-it memory of the game, please contact me at ekozak@stitlaurence.com.

What’s your big news? Engaged? New job? Won an award? I’d like to know about it! Send your submission, with accompanying photo(s) if possible, to ekozak@stitlaurence.com or fax to 708-458-7616 or mail to Ed Kozak, Alumni Office, St. Laurence High School, 5556 W. 77th St., Burbank, IL 60459-1398. Note that not all submissions will be used, and all are subject to editing. I look forward to hearing from you.
I’m pleased to share with you the 2015 Annual Report. Please accept my most sincere thanks for your support of this outstanding Annual Fund, which surpassed our goal of $535,000 to close at $539,390.

We topped our goal, in many parts, due to the generous support of our alumni and friends. Our work does not stop here; there is still much to accomplish. It is our intention to become the premier, all-male high school of choice on the south side and we must continue to work together to achieve that goal.

I encourage all of you to support St. Laurence Annual Fund each year. Every gift is important and every gift counts towards providing our current Vikings a strong faith foundation and the best possible education within an STL STEM-based learning environment, while using current technology in a well-maintained physical campus.

I hope those who made gifts in Annual Fund ‘15 will do so again in Annual Fund ‘16. If you weren’t able to make a gift last year, please consider a gift this year. We have confidence our alumni and friends will continue to recognize the advantage a St. Laurence education gives our students and support us in our important fundraising work. Your continued support is vital to the growth of our development efforts.

Thank you!

Anne Tucker
Director of Development
PADS Coordinator

Deuteronomy 20:4

For the Lord your God is
the one who goes with you
to fight for you against your
enemies to give you victory.
