Where Leadership Begins

ST. LAURENCE HIGH SCHOOL PRIVATE BUS SERVICE 2017-2018

For the 2017-2018 school year, St. Laurence High School has retained the services of Sunrise Transportation and St. Laurence mini buses to offer private bus transportation to students who do not have adequate access to the CTA or PACE routes. Bus stops will be determined by location of students riding.

The cost for the bus service both ways will be \$1000.00 and the cost for one-way transportation will be \$800, paid in two installments in September and December. Each cost includes a \$100.00 NON REFUNDABLE deposit which is required with your application. (If we are not able to schedule your son on our bus service, we will refund your deposit.) The remaining balance will be billed in August.

Exact routing information will be in your Student Schedule & Information Packet which is picked up in August. As in the past, we will make every effort to locate stops as close to your home as possible. However, due to access to side streets and travel time, all stops will be located on major streets and intersections. Ridership is limited and will be scheduled on a first-come, first-served basis. Therefore, if you are interested in this service you MUST complete the form below and return it to the Main Office along with the \$100.00 non-refundable required deposit by May 1, 2017. No bus service will be scheduled without a deposit. If you have any questions, please contact Mr. Joe Spano at St. Laurence High School, 708-458-6900 Ext. 252.
