It does not discriminate on the basis of race, color or national and ethnic origin in administration of its educational policies, admission policies and athletic and other school administered programs.

Sponsorship Philosophy of the Christian Brothers:

Inspired by Jesus Christ as Brother, and by the charism of our founder Edmund Rice, we, the Edmund Rice Christian Brothers, affirm our commitment to sponsoring Catholic secondary schools which strive to create a Christian community enlivened by the Gospel spirit, while working for the intellectual, moral, social and physical development of the students.

- We view the education in our sponsored schools in terms of the triple dimension of the Church's mission; namely, message, community and service, whereby the students and faculty are inspired to appreciate the faith in their lives, to understand the global dimension of community as well as its local sense and to realize that service to others is basic to the Gospel message of Jesus to spread the Kingdom of God.
- We are further committed to providing the students in our schools with opportunities for personal growth in the knowledge and practice of their faith through religious studies, retreats, community worship and service projects.
- We encourage in our school faculties, through word and example, the fostering of a love of learning and a respect for the truth which, when imbued with Gospel values, will be translated in an education for students that is characterized by growth in knowledge, faith, love and service.
- We affirm our commitment to academic excellence, not in an elitist sense, but as the full development of each person with whatever gifts and talents he or she may possess.
- We recognize the importance of discipline, but understand discipline more as the development of discipleship, where self-respect and respect for others enriches lives and encourages growth with others.
- We acknowledge as well that we are co-workers with dedicated lay staff and the ministry of Catholic education.
- We strive for full integration of laity within the school community.
- Finally, we dedicate our efforts to provide quality education to students with a wide range of academic abilities and pledge ourselves to continually evaluate our education programs to insure proper responsiveness to the needs of our students.

Philosophy and Objectives:

In accordance with the traditions of the Edmund Rice Christian Brothers and the Catholic philosophy of education, whose threefold purpose is proclaiming the gospel message, building community and rendering service, St. Laurence High School, under the guidance of the Holy Spirit, recognizes its obligation to collaborate with parents and the Church in the education and formation of the Christian man and woman.

St. Laurence High School recognizes that the principles of the gospel are the education norms which the Catholic school utilizes in the development of a spiritual, intellectual and social being.

As a faith-love Christ-centered community St. Laurence High School offers a balanced curriculum— religious, academic and physical—coupled with an extensive extracurricular and co-curricular program. Instruction in religious truths and values is an integral part of the curriculum.

Religion is combined with the other aspects of learning so that our students may approach life with Christian insight and attitudes. The program includes regular periods of religious instruction, the celebration of the Eucharist and other liturgies, opportunities for the reception of the Sacrament of Reconciliation, retreats and participation in charitable projects.

The school chapel is also available for personal prayer, liturgical and other prayer services during a typical school year. **During the 2020-2021 school year, the Campus Minister will offer both virtual and cohort-centered prayer groups and Masses. Use of the school chapel will be limited based on cohorts and the ability to properly clean and disinfect between use.**

Complementing traditional religious and scholastic activities is an extensive program of extracurricular and co-curricular activities.

Students are encouraged to develop their technical and artistic, literary and scientific, social and athletic, musical and dramatic talents. Where appropriate, both, intramural and interscholastic competition is encouraged.

St. Laurence High School:

On a campus of twenty-three acres, twelve of which are assigned to the institutional building, the religious and lay faculty guide boys and girls through comprehensive programs.

The physical plant contains general administrative and guidance personnel offices; forty-six classrooms, among which are physics, chemistry and biology laboratories, an art room, band room, graphic design lab, a computer science center, Learning Resource Center, Artificial Intelligence Classroom and Audio-Visual Center.

A spacious St. Laurence High School Learning Resource Center (LRC) for 170 students and teachers to work on STEM related activities is available daily. A cafeteria with a luncheon seating capacity of 600 also functions as a small auditorium for 750. Seating 1600 on folding bleachers, the gymnasium doubles as auditorium, with floor space and sightline view of the stage for an additional audience of 800. The 2500 square foot Charles Grunhard Fitness Center is equipped with exercise machines and weights for approximately 65 persons.

The Leadership Center is the physical heart of the St. Laurence Leadership Program. The Center has four conference rooms, a leadership library, reception room and is equipped with video/audio presentation technology. Leadership training for our students, as well as meetings for local educational groups, takes place in the Leadership Center.

During the 2020-2021 school year, the number of people allowed in these spaces will be more limited and based on current CDC recommendations.

A Nurse's Clinic has been added to the lower east wing of the Leadership Center. This space has been renovated to provide a 5 room private, quarantine area for students who may present COVID symptoms while at school.

The Edmund Rice Christian Brothers:

The Edmund Rice Christian Brothers, formerly known as the Christian Brothers of Ireland, was founded in 1802 in Ireland by Edmund Rice. Today, the Brothers conduct schools on every continent. The Edmund Rice Christian Brothers administer 17 schools throughout the United States, one of which is St. Laurence High School.

A Brother witnesses to Christ and manifests his dedication by the vows of chastity, poverty and obedience, his life of prayer, and his daily living in the local community of Brothers. The essence of the Brothers' vocation is best summed up in the mission statement of the Christian Brothers: "We, the Christian Brothers, gifted and called by the Spirit, experience the deep presence of Christ in ourselves, in each other, and in those we serve.

We are sent to the people of God, particularly today's youth, so that by our lives and ministry of education, we may develop the awareness within them of God's loving presence." Brothers come from all walks of life, all ethnic groups and widely different backgrounds. As participants in the educational ministry of the Church, the Brothers conduct schools such as St. Laurence where they endeavor to proclaim the Gospel to their students and share in the saving mission of Christ for their own benefit and that of their pupils.

Board of Directors:

The administration of St. Laurence High School is under the direction of a legally constituted Board of Directors. The membership of the Board is selected by the Members of the Corporation (the Provincial government of the North American Christian Brothers), and is composed of both Christian Brothers and laypersons.

President:

The President is responsible for the overall operations of the school and is the Chief Executive Officer of the Corporation. The general mission direction and fostering of the charism of the sponsoring community is the President's responsibility. While present to all school constituencies, the President plays a prime role in voicing the school's goals and long-range planning.

Principal:

The Principal is directly responsible to the President for the day-to-day operation of the school.

Our School Messenger automated calling system will contact each of our families in the case of any emergencies and school closings. It can be assumed that school is in session if you do not receive a phone call. PLEASE REFRAIN FROM CALLING SCHOOL DIRECTLY.

The purpose of this Handbook is to present in summary form all the information that a student and his/her parents or guardians should have at their disposal concerning the regular functioning of the school. "This Handbook does not discuss every matter that may arise, and those matters not covered in this Handbook will be addressed as the St. Laurence believes appropriate under the circumstances. In addition, as has been our custom, **all policies, procedures, and practices of St. Laurence may be interpreted, changed, suspended or eliminated by St. Laurence in its discretion.** If changes are made, we will endeavor to notify our students and their parents of the change."

COVID-19 Addendum

Arrival Procedures

The school building will be open for entry beginning at 8 a.m., with the school day starting at 8:30 a.m. We encourage students to arrive no later than 8:15 a.m. to allow enough time to move through all entry procedures. Morning drop off will have all traffic enter St. Laurence off of Central Avenue with drop off using the south 2 lanes with student parkers using the north 2 lanes. Drop-off traffic will continue along the east drive and out on to 77th Street. Parents are instructed to remain in their vehicles.

Students will be entering through separate wings based on their grade level cohort:

- B Wing - Sophomores
- C Wing - Freshmen
- D Wing - Seniors
- E Wing - Juniors

The following step should take place before student leave home each morning:

- Prior to arriving at school students will be required to complete an at-home temperature check and symptom evaluation.
- The Daily Check-In Form will be sent each morning to their STL email address.

The following steps will be followed upon student entry to the building:

- Students will undergo a mask check.
- Students' temperatures will be taken.
- Students will receive hand sanitizer and report directly to their first period classroom.

Any student who records a temperature of 100.4 degrees or higher will be re-checked using a different device. If the temperature remains at 100.4 degrees or higher, the student will be brought to a newly designed Nurse's Clinic to ensure isolation and safety. In the Nurse's Clinic, the student will be evaluated by the nurse. If appropriate, the student's parents will be contacted

to pick up their child outside of the Nurse's Clinic. The Nurse's Clinic is located on the northeast side of the building at the circle drive behind the Leadership Center.

Dismissal

The school day will end at 3 p.m. All students are expected to be out of the building immediately and picked up no later than 3:15 p.m., unless they are in sports. Students will exit by their wings. We recommend that parents text or call students at dismissal to let students know where they are parked so students can walk to them.

All after school athletic procedures will be communicated by coaches.

Mask Policy

As mandated by the state of Illinois, masks must be worn at all times in school. If the mask does not have a St. Laurence logo, masks should be a solid black, gold, blue or white with no images or messages. Masks may only be removed when eating or when outside practicing proper physical distancing. If students are utilizing reusable masks, families should purchase at least two masks and masks should be washed by parents after every school day. If students are utilizing disposable masks, masks should be discarded after every school day at home. Parents should send students with extra disposable masks in case the masks are damaged during the day.

Per the CDC, cloth face coverings may help prevent people who have COVID-19 from spreading the virus to others. Wearing a cloth face covering will help protect people around you, including those at higher risk of severe illness from COVID-19. Cloth face coverings are most likely to reduce the spread of COVID-19 when they are widely used by people in public settings. The spread of COVID-19 can be reduced when cloth face coverings are used along with other preventive measures, including social distancing, frequent handwashing and cleaning and disinfecting frequently touched surfaces.

Lockers & Bookbags

Per Illinois State Board of Education recommendation, use of lockers will be suspended for the time being. Students will be able to carry their bookbags with them during the school day.

Lunch and Breakfast

Students will have a lunch period during the school day. Students will be separated between the cafeteria, foyer and gym balcony, with seating spread out to ensure physical distancing. Only cohorts may sit near each other and all students, including those within cohorts, must physically distance. Additionally, limits will be placed on the number of students per lunch table. Students should not remove their masks until they are seated at their lunch table. Students should put their masks back on as soon as they have finished eating.

Lunch will still be available for purchase through our cafeteria partners at Country House Restaurant. Breakfast will not be served for the time being.

Water Bottles

Students are allowed to carry water bottles with them throughout the school day. Students are only permitted to use water bottles with straws to allow students to drink without removing their masks.

Vending Machines

Vending machines will not be accessible in order to minimize potential transmission.

Bathrooms

Bathrooms will be assigned to specific cohorts when possible and disinfected throughout the day. In the event that cohorts share a bathroom, specific stalls and urinals will be assigned to grade levels to limit cross contact.

Visitors

Any nonessential visitors (including parents), volunteers and activities involving external groups or organizations, will be limited. All visitors will be limited to the main office area when possible, and hand sanitizer will be readily available for visitors to use upon entry.

We will also keep accurate records of visitors, including the individual's reason for visit, contact information, and all locations visited, in case contact tracing is needed.

Student Travel

Per the Cook County Department of Public Health, a 14-day quarantine is recommended for persons entering suburban Cook County, Illinois, from states with high incidence of COVID-19 infections. As such, students are encouraged to not travel out of state or the country.

COVID-19 Contact Tracing/Communication

If a student presents any symptoms of COVID-19 the following steps must be taken:

1. The student will be sent to the Nurse's Clinic.
2. The student will be assessed by the nurse.
3. If there is reason to believe the student is infectious, the student will be sent home to isolate for 14 days. If the student is asymptomatic and physically able, the student should participate in all classes virtually.
4. Each student/teacher in the cohort of the infected student, will be notified with an exposure letter.
5. A quarantine letter may be sent on a case by case basis based on CDC guidelines.

Communicable Disease Reporting

If the nurse has a concern about the possibility of a student having a contagious disease including, but not limited to COVID-19, measles, mumps, meningitis, chicken pox, scarlet fever, strep throat, pediculosis (head lice), conjunctivitis (pink eye), etc., the student will be sent home following policy as stated below.

If a student is absent with a contagious disease, the School Nurse should be notified of that condition on the first day when the parent calls in to report his/her absence. When the student returns to school, he/she should bring a doctor's release to the School Nurse before going to his/her first class of the day. Parents, students and teachers should inform the school nurse when a student has been exposed to, but not necessarily contracted, a communicable disease. In the event of a student's prolonged illness, the school will work with the family to determine the most appropriate course of action to be taken concerning his/her studies.

Once on campus, a student must check with the School Nurse. Students are not allowed to leave campus after arriving at school unless on an early dismissal. Partial absences during a given school day shall be defined and recorded as follows:

- one period or less at the end of the school day – early dismissal
- one to three periods – half-day absence
- more than three periods – full day absence.

During the 2020-2021 school year, we encourage parents to schedule appointments on days when students are learning remotely from home rather than students having partial day absences for in-person instructional days.

Attendance

Attendance will be taken for both in-person and virtual instructional days. Therefore, a parent phone call is required for absences during both in-person and virtual instructional days.

There is a high correlation between student attendance and academic performance. The number of absences a student incurs directly affects academic progress. Out of concern for the family and for the protection of the students, these attendance procedures must be strictly followed. Each family should adhere to them exactly as outlined below: not following this procedure would subject a student to receive a detention.

For each day of a student's absence from school, a parent must relieve the school of responsibility for the student by means of a TELEPHONE CALL (708-458-6900 ext. 220) or email to Mrs. Cavanaugh at attendance@stlaurence.com before 8:30 A.M. Voicemail (ext. 220) is available 24 hours a day. Failure to report an absence by a parent or guardian will result in a 1-hour detention for the student.

The following actions must be taken for students with COVID-like symptoms:

- The parent should contact the School Nurse, Mrs. Cook (mcook@st.laurence.com or ext. 226), if the student is sick with any COVID-like symptoms. The School Nurse will provide the parent with paperwork and the steps that must be taken before the student can return for in-person instruction.
- All students sent home with COVID-like symptoms should be diagnostically tested. Students should remain home from school until they receive the test results.
- Students who are confirmed or probable cases of COVID-19 must complete 10 calendar days of isolation from the date of first symptom onset. Before returning to school, students must also be fever-free for 24 hours without use of fever-reducing medications in addition to an improvement in all symptoms.

- Students returning to school after experiencing COVID-like symptoms but being diagnosed with a non-COVID illness must meet the criteria for returning to school for the illness with which they have been diagnosed. At a minimum, the individual must be fever-free for 24 hours without the use of fever-reducing medication and have no diarrhea or vomiting in the previous 24 hours. Additionally, a doctor's note documenting the alternative diagnosis and a negative COVID-19 test result should accompany a student returning to school with an alternative diagnosis after experiencing COVID-like symptoms.

The following actions must be taken for students who have a family member being evaluated for COVID-19:

- If a household member is being evaluated for COVID-19, the rest of the household, including siblings, must be quarantined until an alternative diagnosis is made or a negative test result received.
- If the sick household member becomes a confirmed case, all household contacts, including siblings, must quarantine for 14 calendar days. The family should contact the local health department for guidance on how to safely quarantine within the same household.
- The student must be cleared by the School Nurse to return to in-person instruction, but as long as the student remains asymptomatic throughout the 14 calendar days of quarantine, the student does not need to provide a physician's note to return to school.

If a student is quarantined or isolated but experiencing no symptoms, the student should continue to participate in class remotely, and these days will not count as absences as long as the student is in attendance remotely.

Absences shall not exceed nine (9) days in an 18 week period (1 semester); exceptions may be made with official documentation such as a doctor's note, evidence of court proceedings or a funeral. All other absences, including exclusion for delinquent tuition balances are counted towards the absence limit.

When a student is absent:

1. At 5 absences in an 18 week period.
 - A meeting is required with the counselor to create a plan for success.
2. At 7 absences in an 18 week period.
 - A meeting is required with the student, parent, Principal, and Assistant Principal - Student Services, Jeff Clemens and or counselor before returning to school.
 - In order to provide a supportive intervention, the student and parent/guardian will receive an attendance contract.
 - Continued violation of the attendance contract will result in loss of privileges, assigning of detentions for additional unexcused absences, as well as the potential removal of benefits associated with making up work due to absences.
3. At 10th absence in a semester (18 week period.)
 - Student must be evaluated by a licensed professional for school refusal before returning to school.
4. At the 11th+ absence in a semester (18 week period.)
 - Excessive absences for the semester will result in loss of credit and/or activities. a student may be asked to withdraw from St. Laurence.

Absences:

In the case of an excused absence, the student will receive full credit for all work made-up. Teachers are expected to supply reasonable assistance. It is the student's responsibility to go to Google Classroom to check on assignments and upon returning to school confer with the teacher to obtain the make-up assignments from the teachers: Some examples of an excused absence are as follows:

- Personal illness or physical disability with doctor's note
- Death in family
- Mandatory court appearance (must have verification)
- College visit
- Retreats
- School sporting event
- Medical appointments with a doctor's note

St. Laurence discourages absence caused by family vacation. Parents are advised to give serious consideration to the consequences of these absences. **During the 2020-2021 school year, per the Cook County Department of Public Health, a 14-day quarantine is recommended for persons entering suburban Cook County, Illinois, from states with high incidence of COVID-19 infections. As such, students are encouraged to not travel out of state or the country.**

However, should this situation be unavoidable, the following steps must be taken:

- A note of explanation must be presented to Mrs. Cavanaugh (tcavanaugh@stlaurence.com) via email two weeks prior to the first day of the anticipated absence.
- The family will receive a form which the student must have signed by ALL of his/her teachers.
- After obtaining the required teachers' signatures, this form must be signed by the parent(s)/guardian(s) and returned to Mrs. Cavanaugh (tcavanaugh@stlaurence.com) where it will remain on file.

Unexcused Absence:

In case of an unexcused absence, there will be no make-up privileges and no credit for class work, laboratory experiments, tests or homework collected or completed in class on that day.

Unexcused absences would include:

- unauthorized absence from class/classes, or school
- no phone or email on the day of an absence from a parent or guardian
- personal business
- truancy
- truancy and suspensions

Truancy:

Students who absent themselves from a full day of school will receive two (2) three-hour detentions. Students who absent themselves from a class during the school day (cutting class) will receive one three-hour detention. No make-up credit will be issued.

Absence Participation in Athletics and School Events:

Any student who is absent from school for more than one-half of his/her daily scheduled academic classes is ineligible to participate in extracurricular activities and athletics on that day.

Coaches/Moderators must provide rosters of the students who participate in any extracurricular activities and athletics to the Attendance Office.

Students who obtain P.E. excuses may not participate in intramural games or any team practices or games on that day.

Early Dismissal

A student is permitted to leave campus only when his/her last scheduled class is completed. Individual students are permitted to be off campus only if they obtain a slip from the Attendance Office. The slip is given for a dental or doctor appointment upon submitting to the Attendance Office a signed note from the parent/guardian specifying the time of dismissal, the time of return and the date of dismissal. **During the 2020-2021 school year, parents are encouraged to schedule appointments on days when students are learning remotely.**

Dismissal:

During the 2020-2021 school year, all students who are not under the direct supervision of a coach, teacher or moderator should leave the building immediately after school ends at 3pm.

Tardies

Tardiness for 1st Class of the Day:

All students who are tardy for their first class of the day MUST report to their designated wing, present their I.D., complete a mask check, and have their temperature taken for their admit slip. Students who are tardy for their first class of the day must serve a 1 hour detention on the fourth late of the quarter.

Class Tardies:

If a student is late for a class the teacher will mark a 'T' in Plus Portals. Student will be notified by the teacher if he/she is tardy. (Students/Parents should check their tardy/absence record on Plus Portals.) Students will be issued a 1 hour detention on their 4th tardy in a given quarter. Exceptions for medical, dental and court appointments will be made at the discretion of the administration. **IN ALL CASES, VERIFICATION OF APPOINTMENTS AND A PARENT NOTE MUST BE PRESENTED WHEN THE LATE ADMIT IS ISSUED.**

Student Conduct

Citizenship

All students are expected to conduct themselves as upstanding citizens. As a Catholic, Christian Brothers school, St. Laurence teaches respect, patriotism, civics and gratitude. We expect our students to mirror these values of St. Laurence. We support our students' rights to protest peacefully. However, such protests should not cause interruption to the school day or school events, including athletic events, and it is our expectation that students engaged in peaceful protests will be respectful of their peers and adults in these situations. To that end, it is an individual's choice of whether or not to recite a prayer, recite the Pledge of Allegiance, or sing

the National Anthem, but all students, faculty, and staff are required to stand in a respectful manner during community prayer, the Pledge of Allegiance and the National Anthem, to the extent that they are physically able to do so. Failure to comply will result in disciplinary action.

Abuse and Use of Alcohol, Drugs or Vaping Materials:

St. Laurence High School recognizes that a student whose life is free from drugs, including alcohol, is the one who has the best opportunity to develop his spiritual, moral, emotional, intellectual and physical capacities. Therefore, the following policy shall be in effect regarding the use of alcohol and controlled substances.

Any student under the influence of alcoholic beverages or drugs, or who has them in his/her possession on school property or school function, is automatically suspended and is liable to expulsion. No vaping or vaping paraphernalia will be allowed in any form at any time. Vaping materials are considered contraband and should not be brought to STL or any STL function. If a student is found in possession of any E-cigarettes, vaping or drug paraphernalia including but not limited to Juul's, Pens, pipes, rolling papers, roach-clips, etc. he/she will be suspended from school and is liable to expulsion.

- Students caught with tobacco, vaping material, or related products on school grounds will be subject to a three (3) day suspension, mandatory substance abuse evaluation, a \$500 fine which will be applied to the student's FACTS account and 50 hours of community service to St. Laurence. If the fee is not paid, the case will be turned over to the Burbank Police Department.
- Restroom doors will remain open.
- St. Laurence administration will participate in random checks of students, lockers and vehicles on school property.

***** The family is responsible for any cost(s) accompanying the test and evaluation.*****

Smoking/Smokeless Tobacco

Students are not permitted to smoke in the school or on campus. (The City of Burbank has an ordinance against smoking by minors which can result in monetary fines.) Chewing tobacco or related tobacco products are never permitted anywhere on campus.

Any student who is involved in the sale or promotion of drugs is subject to expulsion and arrest.

A student may refer himself/herself to his/her counselor. Such contact will be considered privileged matter unless there is evidence of imminent danger to the well-being of the student or another party. Other concerned persons may refer a student to a counselor or school staff member. Provided no school policy has been violated, these referrals will be considered guidance business.

Bullying Policy:

As Catholics we believe in the dignity and respect of each individual created in the image of God. Bullying is contrary to Gospel values and has no place in the Catholic school community. Harassment and bullying are neither acceptable nor tolerated by St. Laurence High School. St. Laurence High School is committed to maintaining an academic atmosphere that is free from sexual harassment or harassment of any kind and/or violence or intimidation. St. Laurence High School forbids any form of harassment, bullying, violence or intimidation. Bullying can take many forms, including violence, harassment, threats, intimidation, stalking, cyber-stalking, theft, public humiliation and retaliation for asserting or alleging an act of bullying.

4. A report will be kept on file relating to the allegations and the findings of the investigation, and will be kept confidential to the fullest extent possible.

The school zone which is covered under this policy includes acts of bullying which occur in school or outside of school (during a school sponsored event/activity or before and after the school day while a student is in transit to or from the school).

Any act of bullying is a violation of the Code of Conduct and is subject to consequences defined by St. Laurence High School. The following consequences apply strictly to isolated acts of bullying.

A member of the STL faculty, staff or administration should notify the dean of students or the school principal if a bullying situation has taken place. The dean or principal will follow the following procedures:

Consequences for acts of bullying may include any of the following:

- Student Mediation

- Out of School Suspension
- Referral to Law Enforcement

The administration reserves the right to modify disciplinary consequences depending on the nature and number of offenses.

Harassment:

Harassment is defined as offensive, intimidating or hostile behavior, which has the intent or effect of unreasonably disrupting the school environment as a whole or impacting specific faculty, staff or students. This includes sexual, ethnic and racial harassment as well as any other form of mean-spirited behavior.

Sexual Harassment:

Sexual harassment consists of unwelcome sexual advancements, requests for sexual favors, sexually motivated conduct or other verbal or communication of a sexual nature. Specific examples of such behavior include (but are not limited to):

- Written Contact – Sexually suggestive or obscene letters, notes, invitations, drawings or computer messages.
- Verbal Contact – Sexually suggestive or obscene comments, threats, jokes, any sexual propositions, comments about another's body or sexual characteristics which may be construed as embarrassing to another.
- Visual Contact – Suggestive looks, staring at another's body, gesturing, displaying sexually explicit or suggestive objects, pictures or magazines

Sexual Assault:

Sexual assault is any type of sexual contact or behavior that occurs without the explicit consent of the recipient.

- Physical Contact -- Any intentional pats, squeezes, touching, pinching, repeatedly brushing up against another's body, blocking movement or coercing sexual contact.
- Criminal Sexual Assault -- In the state of Illinois, a person commits criminal sexual assault if that person commits an act of sexual penetration and: (1) uses force or threat of force; (2) knows that the victim is unable to understand the nature of the act or is unable to give knowing consent; (3) is a family member of the victim, and the victim is under 18 years of age; or (4) is 17 years of age or over and holds a position of trust, authority, or supervision in relation to the victim, and the victim is at least 13 years of age but under 18 years of age.

Hazing:

Hazing is any humiliating or dangerous activity expected of a student to belong to a group, regardless of their willingness to participate. Some practices associated with hazing carry the potential for serious bodily harm. These practices may include: tattooing, piercing, head-shaving, branding, sleep deprivation, physical punishment (paddling and "red-bellying"), "kidnapping," consuming unreasonable/unacceptable foods or beverages, being deprived of personal hygiene and/or inappropriate sexual behavior. Coerced sexual activity, in addition to being classified as sexual assault and/or rape, is another form of hazing. Such activity puts victims at risk for injuries, sexually transmitted diseases and pregnancy. Alcohol abuse is another significant factor in hazing incidents that feature forced consumption of large amounts of alcohol.

Hazing of any kind is unacceptable and may result in an expulsion from school. Sexual Harassment is a form of discrimination prohibited by Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972. It may be defined as any unwanted sexually oriented acts, which create a hostile, intimidating or offensive environment.

Reporting Procedures:

1. An oral or written report related to any form of harassment/bullying must be presented specifically to an administrator of St. Laurence High School.
2. St. Laurence High School will investigate the allegations of harassment/bullying in a timely manner and get back to the parties involved.
3. A decision of whether the issue should be dealt with legally will be made after consulting with all parties involved and the St. Laurence High School legal team.
4. A report will be kept on file relating to the allegations and the findings of the investigation, and will be kept confidential to the fullest extent possible.

The administration reserves the right to modify disciplinary consequences depending on the nature and number of offenses.

Arrival:

The school building will be open for entry beginning at 8 a.m., with the school day starting at 8:30 a.m. We encourage students to arrive no later than 8:15 a.m. to allow enough time to move through all entry procedures. Parents are instructed to remain in their vehicles.

Students will be entering through separate wings based on their grade level cohort:

- B Wing - Sophomores
- C Wing - Freshmen
- D Wing - Seniors
- E Wing - Juniors

The following step should be completed from home each morning:

- Prior to arriving at school students will be required to complete an at-home temperature check and symptom evaluation and complete the Daily Check-In form that will be sent each morning to their STL email address.

The following steps will be followed upon entry to the building:

- Students will undergo a mask check.
- Students' temperatures will be taken.
- Students will receive hand sanitizer and report directly to their first period classroom.

Any student who records a temperature of 100.4 degrees or higher will be re-checked using a different device. If the temperature remains at 100.4 degrees or higher, the student will be brought to a newly designed Nurse's Clinic to ensure isolation and safety. In the Nurse's Clinic, the student will be evaluated by the nurse. If appropriate, the student's parents will be contacted to pick up their child outside of the Nurse's Clinic. The Nurse's Clinic is located on the northeast side of the building at the circle drive behind the Leadership Center.

Bus Conduct:

Appropriate conduct is required on all buses—public or private. Conduct on buses is expected to be controlled and orderly. Poor conduct will result in detentions and possible removal from future ability to ride buses.

During the 2020-2021 school year, students are required to wear masks at all times when on both public and private buses, and students will be assigned seats for the year on private buses to ensure proper physical distancing.

Pushing, shoving, unbecoming language, shouting, throwing objects, etc. will not be tolerated. Smoking on the bus is not permitted. Respect for property is essential. If any student damages a school vehicle, the student and his/her parents will be responsible for paying any charges incurred in repairing the damage. For the safety of passengers, students are not to lean out of the bus windows.

Students must carry their school I.D. and present it to the bus driver or any other bus company official upon request. The bus driver reserves the right to bring the bus back to St. Laurence should students not cooperate. Should this occur, students will be expected to provide their own

transportation home. The bus company or the Dean of Students may cancel a bus route for any period of time should it become necessary.

Should a student be reported to the Dean of Students by the CTA, PACE, or private carrier for misbehavior, any of the following could result:

- suspension from riding the bus
- suspension from school
- conference with the parents
- restitution
- detention
- probation
- expulsion from school

Off-Campus Offenses:

These rules set forth within this handbook apply both inside and outside of school as they impact St. Laurence High School, its staff, its students and its reputation. We are partners with parents in their children's education. We notify parents of concerns about student life or behavior, even when off campus.

Consequences for off-campus offenses can be warning, detention, suspension, assignment to disciplinary probation, assignment to a Discipline Board or expulsion depending on the frequency or severity of the offense(s).

Whether on or off campus, the employment of electronic technology, applications inherent to those media or any social media site to harass/bully any individual from either inside or outside the school community will be subject to severe disciplinary action. Normally the school does not take disciplinary action if the police inform school authorities of unsatisfactory behavior unless such behavior breaks school rules including those stated herein and if such action negatively reflects upon the school.

Police involvement may preclude any action taken by the school. However, should the action or incident significantly affect the reputation and good standing of St. Laurence High School within the neighboring community in an inherently negative way, the offending student may be required to withdraw from school without appearance before a formal Discipline Board.

Evacuation Drills:

Because of the serious nature of fire and tornado drills, students are to remain attentive to adult direction and refrain from talking.

Cafeteria:

Students are required to come to, and remain in, the Cafeteria for their assigned lunch period. Lunch period procedures are explained by the Lunch Supervisor at the beginning of the school year. **During the 2020-2021 school year, the cafeteria, foyer and upper gym balcony will be used during lunches to ensure appropriate physical distancing. Students should keep their masks on when moving through the cafeteria and in the lunch line. Masks should only be removed once a student is seated at their table, and the mask should be placed back on once the student is finished eating. The number of students at each lunch table will be limited to ensure proper physical distancing and students should sit at the same table each day.**

The cafeteria is a “tech free zone” during the lunch periods. Electronic devices may not be used during the lunch periods in the cafeteria. Detentions will be issued for failing to follow directions.

Technology:

While in the school building students should only be using the approved student Wi-Fi network. Students should not be using VPN’s or their personal data network. Student’s who are found using a VPN or their own network will receive a detention.

Headphones:

Students may wear headphones/airpods during class-time ONLY when they are permitted by the teacher. Students should not wear headphones/airpods in the hallways or during passing periods. **In the hybrid model, students will be taking some classes virtually while in the school building, and all students will be required to have headphones or airpods to ensure they can participate in these classes without disturbing their peers.**

Cell Phones:

Cell phones must be silenced (vibrate or silent). If a student is using their cell phone during class without authorization, the student will receive a detention. Cell phones that are a distraction to the learning environment when use is not authorized, for a 3rd time in a given class, will be confiscated and the student will be issued a detention. (Confiscated phones must be reclaimed by a parent from the appropriate Dean of Students.) Students should not be using their cell phones in the halls or restrooms during class time.

If a parent needs to contact a student during the school day, the parent should call the school office (708-458-6900) and the student will be notified and call the parent back using the school phone. PLEASE DO NOT CALL OR TEXT YOUR STUDENT DURING THE SCHOOL DAY ON HIS/HER CELL PHONE.

Fighting:

Any student who engages in physical fighting will receive a 3-hour detention, as well as an automatic in-school suspension for the remainder of the school day.

Gambling:

Gambling is never permitted on school premises.

Food and Drink: In order to maintain cleanliness throughout the school, students are not permitted to bring food, candy or beverages out of the cafeteria and /or the foyer. For the same reason, chewing gum is not permitted.

Igor Hour:

Igor Hour is an after school opportunity for students to learn the skills to become better Vikings from fellow Vikings. **This will be done virtually to begin the 2020-2021 school year.** Any student who is earning an F in a class will be required to attend Igor Hour to make up work until they are passing.

ID's:

Student school identification card (ID) must be worn around the collar and visible at all times during the school day. If a student forgets his or her ID, a temporary ID will be issued by the appropriate Dean of Students. Failure to wear an ID will result in detention.

Hall Passes:

If a student must leave the classroom, he/she will sign out of the class and be issued a hall pass. Students must display the hall pass or will be subject to questioning. If a student is deemed to be in the hall unexcused, he/she will be sent to the Dean of Students. Students must sign back in upon return to the classroom. **During the 2020-2021 school year, students must remain in their assigned wings and only use the restrooms assigned to their cohort. Students will be assigned times for restroom use based on cohort, and they should only use the restroom outside these assigned times in emergencies.**

Inappropriate Language:

No profanity, foul language or inappropriate sexual references of any sort will be tolerated.

Inappropriate Material:

Contraband and pornographic material of any nature ARE NEVER PERMITTED. Possession of such articles will minimally result in a major detention and the parents will be required to claim the articles at a meeting with the appropriate Dean of Students.

***** If it comes to the attention of the administration that there are materials suspected of being on the student's phone or iPad that may be harmful to any St. Laurence student, school administration reserves the right in its sole discretion to ask a student to show content on their iPad or cell phone. Failure to comply may result in disciplinary action.**

Pregnancy Policy:

As a Catholic community, we affirm, encourage and emphasize the need to make good moral choices which include abstinence from engaging in pre-marital sex as well as not considering abortion as a possible course of action. The administration and the guidance personnel of St. Laurence High School will extend every effort to assist and support the pregnant student in her educational development as well as in her personal and social adjustment. In dealing with this sensitive issue, the guidelines of confidentiality will apply to the entire school community.

When it has become public knowledge that a St. Laurence High School student is pregnant, the following procedures and policies will serve as the school's guidelines for assistance:

1. A conference will be held with the student, her parents, her guidance counselor, the school nurse, the principal, assistant principal and the dean of students to determine the most appropriate course of action. If the father is a St. Laurence High School student, he and his parents may have a similar conference.
2. Should the student decide to stay at school through the first 2 trimesters, the student and her parents/guardians assume all responsibilities for prenatal care as well as the regular school responsibilities. At the beginning of the third trimester, a meeting between the student, parents,

principal, assistant principal, dean of students and guidance counselor will determine when an alternate educational process needs to begin. It is advised that a doctor's note be brought to the meeting to assist with the decision making process. Absence from school for maternity reasons will be managed, as are all extended absences for medical reasons.

3. Pregnant students may participate in one of the many fine alternative programs offered in the Chicago area by reputable agencies like Catholic Charities. The educational program must be compatible with the program offered at St. Laurence High School so that the student will be able to return to St. Laurence with a minimum of difficulty. The assistant principal must approve the program.

4. If a health concern arises during the course of the pregnancy, the school nurse and the counseling staff would need to be alerted in order to determine the best course of action pertaining to school responsibilities.

5. The student's return to school after delivery must be preceded by a conference with the guidance counselor, the assistant principal and the nurse.

6. Students will not be allowed to have their infant/child with them during the school day or at school sponsored events, games, practices nor will they be allowed to hold baby showers, birthday parties or other such gatherings for their child in school facilities.

Student Discipline:

Discipline of the individual is basic. Without discipline, true education is impossible. Therefore, through its rules, St. Laurence High School affects a policy of firm and sound discipline that seeks to form, cultivate and strengthen the adolescent personality.

The administration reserves the right to modify disciplinary consequences depending on the nature and number of offenses.

Classroom discipline and order consistent with school policy is affected by the teacher. The more serious classroom problems and out-of-class discipline and conduct of the students come under the jurisdiction of the Dean of Students.

Students Disciplinary Consequences: Most disciplinary problems will be handled through one of the following procedures, but St. Laurence High School reserves the right to address some offenses in a manner not described in the following:

- First Offense – Student is warned and parent is notified.
- Second Offense – A detention may be received. The counselor and parents are notified.
- Third Offense – Student is suspended for (1) one day and student and parents are to come to school to meet with the Principal or Dean of Students prior to the student returning.
- Repeated offenses will result in a recommendation for further suspension and/or expulsion.

Peer Mediation:

Peer Mediation is a resource available to any student experiencing conflict. The Peer Mediators are trained students who assist individuals in resolving conflict through a process of communication and problem solving. Any student and/or his/her parent(s) may request mediation by contacting his/her Guidance Counselor or the Dean of Students. **During the 2020-2021 school year, we hope to offer Peer Mediation as an option via cohorts or possibly virtually as well.**

Detention Policy:

Detention is meant to be an inconvenience to the student or it would not be a deterrent. For this reason, a student will not ordinarily be excused. If necessity demands an absence from detention, a written letter from a parent specifying the reason must be presented to the Dean of Students 24-hours prior to the date of the major detention or on the morning of the minor detention. All detentions, suspensions and probations are kept on file. Such records are available to parents and other authorized persons. Only the Dean of Students may reschedule a detention after parental contact has been made.

The detaining of students for disciplinary reasons may take one of three forms:

- One-hour Detention at 3:05pm. The student receives a detention slip from the teacher which states the reason for detention. Students and parents will be notified by the Dean of Students the day before his/her detention is to be served. Detentions will be served the day after a detention is received. The regular dress code is in effect for detention.
- Failure to serve a scheduled one-hour detention will result in a three-hour detention. Repeated offenses will result in suspension from all school activities for a period to be determined by the number of previous offenses.
- Failure to serve a scheduled three-hour detention will result in suspension and a parent meeting with the Dean of Students.

One-Hour Detentions (Minor):

During our hybrid learning model, we will have two alternating weekly detention schedules. Detentions will begin at 3:15pm and last 45 minutes. No detentions on Wednesdays. If you receive a detention, Dean Shaw or Dean Nye will schedule you for one of the following days. Unexcused failure to serve will result in a 3-hour detention.

Week 1

Monday: Viking Black Freshmen
Tuesday: Viking Black Sophomores
Thursday: Viking Gold Juniors
Friday: Viking Gold Seniors

Week 2

Monday: Viking Black Seniors
Tuesday: Viking Black Juniors
Thursday: Viking Gold Sophomores
Friday: Viking Gold Freshmen

3-Hour Detentions (Major):

Three-hour detentions are given only for serious reasons and will be scheduled on Saturdays or at special times of the school year. Students and parents will be notified of three hour detentions. Students serving 3-hour detentions may work at various cleaning tasks in and around the school. The student must perform the work in an acceptable manner. A student arriving late for a three-hour detention will be sent home and will be required to serve his/her major detention at a later date established by the Dean of Students. If a student fails to attend his/her 3-hour detention, parents will be contacted the following school day and informed that the student will be SUSPENDED from school beginning the next school day and WILL NOT BE ALLOWED TO RETURN UNTIL THE PARENTS HAVE MET WITH THE DEAN OF STUDENTS.

If a student is ill on the day of his/her 3-hour detention, a phone call must be placed to the Dean's Office 708-458-6900 Ext. 232 before the time his/her detention was to start. If in the opinion of the Dean the reason is valid, ONE (1) extension could be granted at the Dean's discretion. Excuses such as work, driver education or extracurricular activities do not fall into this category of necessity.

Suspension:

A suspension may be imposed for any major disciplinary offense, for failure to meet administrative requirements for an accumulation of detentions or at the Deans' or Principal's discretion. Suspension is the temporary exclusion from the school community or from an individual class. A student who is suspended from school is not allowed on or around school property or to attend school-related activities during the timeframe of the suspension. Parents are notified of the suspension in writing and by telephone and assume responsibility for the student. Suspension may last from one to ten days or until a parent conference is convened.

Students may be suspended from school for a serious offense (such as improper bus conduct, chronic misconduct in the classroom or disrespect to a teacher). Students are on probation for 1 semester after returning from suspension.

Suspension - Academic Policy:

- Any student who is suspended for any reason may make-up summative assessments (tests, exams) that were missed while on suspension only. Students must make up summative assessments that were missed upon returning to school and upon the terms of the teacher.
- A student who is on suspension may turn in homework that is posted on Google Classroom on the due date for full credit, even if it is during the time of suspension. If a student chooses not to turn in work while on suspension, they will not have the opportunity to turn in for credit.
- Formative assessments (classwork, participation, review, etc.) and projects do not have to be accepted or offered to be made up by the teacher.

Discipline Board:

Any student, who has accumulated numerous detentions, has violated his/her Disciplinary Probation or who has committed a serious infraction of the student code of conduct may be assigned to the Discipline Board for possible expulsion.

The Discipline Board consists of four faculty members appointed by the Dean of Students. The student appearing before the Discipline Board chooses a fifth faculty member. The Dean of Students will serve as chairman and will present the case. The student's guidance counselor will also be present to contribute as he/she may without betraying any information shared in confidence. These last two members are non-voting members of the Board.

The Board will meet with the student and two adults (presumably, but not necessarily limited to parents or guardians) normally within three school days of notification of the forthcoming proceeding. Sometime before the meeting, each of the student's teachers will be asked to submit an evaluation of the student which will be shared openly at the proceeding.

The Dean of Students will present all facets of the case at hand after which all individuals present will be allowed to be heard during an open forum bound by a reasonable time limitation. After all sides have been heard, the members of the Board will discuss the case in private and make personal written recommendations to the Principal.

The Principal will then make a decision on the case within his/her sole discretion. Although the Principal is not bound to follow the recommendation of that body, his/her decision is final. As the Discipline Board does not constitute a legal proceeding, no lawyers retained for representation or recording devices are allowed to be present.

Disciplinary Probation:

The Dean's Office will place any student on Disciplinary Probation that has received a minimum of **ten (10)** detention hours or committed a major infraction of such a serious nature that his/her conduct shows a need for closer scrutiny.

Disciplinary Probation will continue for a minimum of one full academic semester after which time his/her record will be reviewed for possible removal. While on Disciplinary Probation, the student must prove through the signing of the student/parent contract, a willingness to cooperate with the rules and objectives of the prescribed student code of conduct. Should a violation of Disciplinary Probation or the Student/Parent contract occur, the student would be suspended indefinitely pending the convening of a Discipline Board to determine the student's suitability to remain at St. Laurence High School. While on probation, the student agrees to perform school-related service determined by the Dean's office. At the completion of the probationary period, the Dean will have a follow-up conference with the parents and the student. If the terms of probation have been met and a change of attitude/behavior noted, the student will be removed from probation.

Students may be placed on Disciplinary Probation in response to situations not covered in this handbook. As a matter of standard practice, any student transferring into St. Laurence High School will be assigned to Non-Punitive Disciplinary Probation to be so assigned for a minimum of one full academic semester with all other parameters consistent with the above stated protocols.

Expulsion:

A student is subject to expulsion for serious offenses which may include, but are not limited to:

- the use of drugs/alcohol in school or at school functions;

- the sale or promotion of drugs/alcohol on campus or at any school activity;
- theft of school property, or a fellow-student's property;
- involvement with gangs/cults, or the use of their symbols, language or slogans;
- possession of any weapon or firearm on school property or at a school function.

Students are required to respect the property of others and to turn into the Dean's Office any items that belong to other students. A student found in possession of lost or stolen property will be dealt with in an appropriate manner.

Expulsion is the forced withdrawal from St. Laurence High School can be imposed upon students who commit a flagrant violation of the rules, violate their terms of Disciplinary Probation or repeatedly commit violations of the student code of conduct. The decision to expel a student is at the sole discretion of the Principal. This decision is ordinarily made after receiving a recommendation from the Discipline Board. The decision to expel may be appealed to the President.

Dress Code and Appearance

The primary responsibility for the dress and appearance of the student belongs to the parents. Concern for daily appearance is essential to the student's progress in maturing. It is, therefore, expected that students be neat and clean. The manner of dress should be appropriate to the serious nature of study. Students should arrive to school and leave school in dress code attire.

The following regulations are made so that the student will develop a consciousness of the necessity of a neat personal appearance, not only when he/she is in school, but at all times in the public eye.

Any violation of Dress/Appearance Codes will result in detention and parent notification. The Deans of Students interprets these regulations. The Deans of Students are the final arbiter of dress and appearance. The fact that some type of clothing, footwear or hair style are not specifically forbidden, does not make it acceptable. Students are expected to use good sense in grooming and dress. Should a question arise with regard to dress or appearance-- THE DECISIONS OF THE DEAN OF STUDENTS ARE FINAL.

During the 2020-2021 school year, St. Laurence students can follow Spirit Day attire every Tuesday, Wednesday and Friday. Students may wear the regular school uniform on Spirit Days.

ALL STUDENTS MUST BE ENROLLED IN SEVEN (7) CLASSES. Credit is earned by achieving a passing grade in a particular subject and meeting the minimum attendance requirements.

If a student withdraws from a class within the first three weeks of the semester, nothing will be entered on his/her permanent record for this class. A student wishing to withdraw from a class after the 3rd week of the semester MUST complete the following steps:

- Request a withdrawal form from his/her counselor.
- Secure the required signatures from his/her teacher, counselor and parents.
- Submit a completed form to the Assistant Principal of Student Services.

If the student withdraws from a class from the start of the fourth week of the semester until the end of the quarter, a grade of WP (withdrawal with passing grade) or WF (withdrawal with failing grade) will be entered on his/her permanent record. This grade WILL NOT affect his/her Grade Point Average and Rank in Class.

If the student withdraws from a class after the 1st/3rd quarter marking period, a grade of F will be entered on his/her permanent record and no credit will be given for the semester. This grade WILL affect his/her Grade Point Average and Rank in class.

Once student schedules have been issued for the coming school year, any schedule change that is not teacher/school initiated, will carry a fee of \$100.00 which is payable at the time of the change and may not be added to the student's tuition account. After the second week of classes, students may not change/drop classes.

Report Cards:

Grades are updated and posted on PlusPortals. A semester report card is mailed in January and June.

Report Card letter grades are given for each subject:

B = Above Average (80-89%) College Recommending

C = Average (70-79%)

D = Below Average (60-69%)

F = Failing (below 60%)

The passing grade is D. However, college admissions generally require at least a C average for the four years of high school.

A SENIOR WHO MAINTAINS AN “A” IN BOTH THE 3RD AND 4TH QUARTER CAN BE EXEMPT FROM FINAL TESTING IN THAT CLASS.

A Junior or Senior who takes the AP exam is exempt from that class's final exam.

It is expected that parents take an active part in monitoring the academic progress of their son/daughter. PlusPortals and Google Classroom should be checked weekly.

In the Second Semester, in lieu of formal conferences, parents are urged to arrange a private appointment with the teacher(s) of the class (is) in which their son/daughter is experiencing difficulty or is in danger of failing. In some cases involving the nature of the course requirements or student performance (e.g., student fails to complete a project or submit a report that is due late in the marking period, or absents himself/herself from a final exam), it is not possible to warn parents of an impending failure. In all cases, it is primarily the student's responsibility to complete all assignments and course requirements. The grade assigned for the course is the prerogative of the teacher, ultimately, and the Administration is not a liberty to change a teacher's grades.

The Honor Roll is based upon the following combination:

- A Honors – Four A's and no mark lower than B
- B Honors – B Average and no mark lower than C

To meet the scholastic requirements for promotion to the next grade, the student must have received credit for every subject carried in the previous year, excluding electives. In the event of

failure in one or two of the five required subjects, students are required to make up the credit before returning the following year. They will be allowed to continue at St. Laurence only on the recommendation of the Summer School Principal and acceptance of that recommendation by the Administration.

If a student fails TWO or more subjects for the first semester, he/she will be placed on academic probation.

If a student fails THREE (3) or more subjects for the second semester, he/she may be permitted to continue at St. Laurence High School only after a conference with a counselor and Assistant Principal of Student Services, with the understanding that the student will be required to repeat the year in which the failures occurred or transfer from STL. If a student fails a required course at the semester, he/she must make up the credit during summer session. Any variance to this must be made with the approval of the Assistant Principal of Student Services.

Academic Probation:

Students are placed on academic probation if he or she fails two or more classes in a semester. The probationary period is one semester during which time the student must return to good standing by passing his or her subjects by the end of the probationary semester. If students do not pass the subjects, by the end of the semester, they will be subject to summer school, repeat the school year or dismissal from school.

Academic Integrity Policy

A St. Laurence High School student is expected to learn and achieve honestly. Achievement should be the result of her or his own efforts. Academic dishonesty or cheating can result in the loss of credit for the assignment, paper, test or quiz. Proven cheating in standardized testing will result in invalidation of the result.

A teacher who suspects a student has cheated should investigate the alleged incident and address the student and her or his parent(s) or guardian(s). If the teacher is able to provide reasonable proof of the student's guilt the teacher should immediately refer the student's situation to the Assistant Principal of Curriculum and Instruction. The Assistant Principal will enter the student's name and the details of the incident into a confidential database only accessible to school administrators.

What is academic dishonesty?

Academic dishonesty is defined as seeking to obtain (or aiding another to obtain) credit or improved scores through the use of any unauthorized or deceptive means.

Some examples of what academic dishonesty looks like:

- Presenting information collected, organized or envisioned by someone else as your own (with or without the author's permission) or allowing someone else to present your work as her or his own.

- Taking shortcuts (such as unauthorized use of study aids) that allow you to bypass steps of an assignment.
- Using forbidden material to "help" during an exam, such as cheat sheets, graphing calculators, iPads, cell phones or other electronic devices.
- Asking about or sharing questions and/or answers to quizzes and exams.
- Submitting the same work for more than one assignment without express permission from your teacher(s).
- Altering corrections or scores with the intent of changing your grade.
- Misrepresenting yourself in any way to your teachers in regard to the work you have done, such as saying you've turned in an assignment when you did not or that you've worked hours longer than you actually did to complete an assignment.
- Fabricating information to try to earn more time, more credit or grading leniency on an assignment, project or exam.
- Missing class in order to avoid turning in an assignment or taking a test.
- Doing more or less than your share of a group project without permission from your teacher.

The following outcomes are cumulative and will be tracked across all classes throughout a student's tenure at St. Laurence High School.

This meeting may result in the student being placed on academic probation and/or the assignment of a Withdrawal-Failing (W-F) grade.
- A letter will be placed in the student's academic file documenting the details of the incident and outcome of the meeting.

Age of Student 18:

Many students reach the age of 18 before they graduate. However, this ordinarily does not change the relationship between the school and these adult students between the school and their parents. Policies regarding required signatures, absence notification, communication, etc., remain the same. The principal, in consultation with adult students' parents, may make exceptions given individual circumstances. If a student moves out of his/her house, his/her parent(s) must advise the principal of the situation.

Asbestos Regulation:

In accordance with US EPA 40 CRF 763.93(g) (4), AHERA regulations, the Asbestos Inspection Report and Management Plan was submitted to the Illinois Department of Public Health on May 4, 1989, for St. Laurence High School facilities, and was approved, March 6, 1990. A copy of the building's Management Plan is on file in the school's administrative office and is available to staff, employees, and the public for inspection during regular business hours, by appointment only, when such appointment is made with the Business Manager at least one working day in advance. Any request to view the plan will be honored by the Business Manager within five (5) working days of the receipt of such request. Plans cannot be removed from the school premises.

Suspected child on child abuse includes a child who is assaulted, sexually harassed, bullied or any other violation that represents abuse anytime, anywhere before, during and after school. The Department of Children and Family Services (DCFs) will be contacted in those instances. This is in addition to any school discipline and/or charges filed with the local magistrate. The school is required to cooperate with all investigations.

Christian Service Hours:

Service Learning

The graduation criteria of St. Laurence High School includes a total of *40 hours of service learning (10 hours for each year at St. Laurence). Service supports and affirms the mission of St. Laurence High School and the values of Blessed Edmund Rice. In addition, service allows our students to build leadership skills, acquire life skills and knowledge and become active members of the community.

All hours must be submitted in X2VOL within 14 days of completing the service. This policy will allow for timely and accurate verification of hours.

Service hours completed during the school hours **will not** be counted toward the graduation requirement.

Ideally, students will complete a portion of their hours serving their school and then expand their reach to the community around them.

***Beginning with the Class of 2024**

Seniors must have at least 40 cumulative hours of approved service completed and all relevant documentation turned in through X2VOL by April 1st of their graduating year.

Juniors must have at least 30 cumulative hours of approved service completed and all relevant documentation turned in through X2VOL by the last day of school of the current year.

Sophomores must have at least 20 cumulative hours of approved service completed and all relevant documentation turned in through X2VOL by the last day of school of the current year.

Freshman must have at least 10 cumulative hours of approved service completed and all relevant documentation turned in through X2VOL by the last day of school of the current year.

Transfer Students will have earned service hours and requirements assessed on an individual basis.

In order to assist students in making time to fulfill their service requirement, any student who does not meet the above criteria **will not** be eligible to participate in any extracurricular activities in the coming school year, including athletics, clubs/organizations, band, auditions/drama, dances and proms, until the above criteria have been met by a specific due date given for each event. Any senior who fails to complete all aspects of the service requirement may be excluded from senior privileges, graduation activities and commencement and their diploma may be held back until all aspects of the service requirement have been fully met.

Because this is a change to previous policy, we will follow a progressive system to implement the new requirements.

Emergency Medical Care:

In the event a student shall become ill or injured or otherwise need immediate medical attention, the school nurse or his/her designee shall attempt to contact the student’s parent/legal guardian utilizing the information provided on the student’s Emergency Procedure Consent Form. If the student’s parent/legal guardian cannot be contacted, the School Nurse or his/her designee shall attempt to contact the person identified by the parent/guardian as the student’s emergency contact.

In either event, such contact shall be made to advise of the observed illness or injury or need for medical attention and to obtain further instructions from the student’s parent/guardian or emergency contact. Notwithstanding the foregoing, the school Principal or School Nurse or other school personnel may call local emergency medical services before or after attempting to call the student’s parent/guardian or emergency contact, if, in the exercise of school-related supervision of the student, the student’s illness, injury or need for immediate medical attention is perceived to be in need of emergency care.

Emergency Phone Numbers:

The home phone number of each student should be filed with the school nurse. Moreover, it is mandatory that the Student Emergency Procedure form be completed by the parents and filed with the school nurse. Parents should notify the school of any changes of address or telephone number.

If parents are going to be out of town for any length of time, a note should be sent to the Dean’s Office prior to their leaving with the name and phone number of the adult who will be responsible for their son/daughter during their absence.

Emergency Procedure Consent Form:

Form is provided annually. It must be completed and returned each school year. It is essential that the school be notified of any changes of work or home phone numbers throughout the school year.

Family Raffle Fundraiser Guidelines:

Each family (even if you have more than one student enrolled) will receive one ticket book with 30 tickets to be sold to friends and family members. Each ticket costs \$10.00. Families are allowed to sell extra tickets if interested, and this will give them more opportunities to win, as well as a \$50 voucher for the Spirit Shop with each additional book of 30 tickets sold.

Prizes: There will be 5 \$100.00 drawings each month (May-March). In the month of April, the grand prize drawing of ½ of one year's tuition will be made, along with one \$500 drawing.

The family who sold the winning grand prize ticket will receive a credit for the following year for ½ of one student's tuition. If the winning family has a graduating senior, they will receive that amount in a check. The buyer of the winning grand prize ticket will receive the \$500 prize.

Collection: Collection will be made through the tuition office. The deadline for collection is January 10, 2020. If you choose not to participate or do not meet this deadline, \$300 will be charged to your tuition account. If you only sell part of the book, the difference will be charged to your tuition account. There is an incentive to turn in your tickets early because tickets remain in the drum and rollover to the next month, and if you win a prize one month, your ticket goes back in the drum. If you have any questions or concerns, please contact Trish Cavanaugh at 708-458-6900, ext. 210 or tcavanaugh@stlaurence.com.

Health Records Medical Information/Emergency Procedures:

Physical examinations as prescribed by the Department of Public Health, State of Illinois, shall be required of all students prior to their entrance in the 9th grade. Additionally, every student must be immunized in accordance with state regulations and must furnish a complete immunization record.

All transfer students must have their former school forward these records to St. Laurence High School upon entering the school. Noncompliance with the above stated directives may result in the exclusion of the student from classes until the proper health records have been furnished.

In-school medication: Under no circumstances will any medication be given to a student without having on file a signed consent form from his/her parent and physician. These forms can be obtained from the school. All medication (both prescription and non-prescription) with the exception of inhalers must be dispensed through the Nurse's Office. Any student needing to carry medication on his/her person for emergency purposes (i.e. inhaler) must notify the Nurse of this condition and fill out the proper forms.

Students found in possession of any medication (prescription or non-prescription) may be subject to disciplinary action.

Hitchhiking:

Hitchhiking to or from school is not permitted by state law. Students will be given detention.

Illinois High School Association Athletic Eligibility Rules NCAA BYLAW 5-1-(j) College Freshman Eligibility Requirements NCAA Bylaw 5-1-(j) affects ALL

High School athletes eligible for NCAA Division 1 athletic scholarships or those who plan to participate in any Division 1 or Division II athletic programs as a non-scholarship athlete (walk-on).

The rule has two (2) basic requirements both of which must be met. Athletes must achieve a minimum 700 combined score on the SAT verbal and math sections or a minimum of 15 composite score on the ACT. Achieve a 2.0 GPA on a 4.0 scale in a core curriculum of at least eleven (11) academic courses.

For Division II, these courses are to be met. English Courses:

Three (3) full years or six (6) semesters of course work in Grammar, Non-Remedial Vocabulary Development, Composition, Literature, Analytical Reading, and Oral Communication.

Three (3) units required. Mathematics Courses: Two (2) full years or four (4) semesters of coursework in Mathematics, Geometry, Algebra, Trigonometry, Statistics and Calculus Two(2) units required.

Four (4) units required. Vocational, Personal Service, Remedial, Special Education or Compensatory Courses do not fulfill core course requirements.

An athlete who does not meet these requirements may still receive financial aid if the athlete has an overall GPA or 2.0 or higher on a 4.0 scale but that athlete is ineligible the freshman year (cannot even practice) AND will forfeit one of the four permitted seasons of competition. But with all athletes who are interested in participating in NCAA schools, you should continually check the website (www.eligibilitycenter.org) for updates.

In-School Illness:

If a student becomes ill during school hours, he/she should alert their teacher or another adult. Depending on the symptoms the student is experiencing, the student will either be taken to the Nurse's Office or the Nurse's Clinic (if the symptoms align with a possible case of COVID-19). A parent/legal guardian will be called if the nurse feels, after her assessment of the student's condition, that it is necessary for the student to be sent home. The student will only be released

with permission of a parent/legal guardian and must be picked up and signed out at the appropriate exit (**dependent on COVID-19 symptoms**). If in an emergency situation the parent/legal guardian of a student cannot be reached, 911 will be called. For this reason, an EMERGENCY PROCEDURE FORM will be sent out yearly and it is essential that notification of any changes regarding home and work phone numbers, be made as needed.

Lockers:

To begin the 2020-2021 school year, lockers will not be used. Students will be allowed to carry backpacks. Locker use will be reinstated when it is safe to do so, and if appropriate, for in-season sports.

All lockers are the property of St. Laurence High School. The Dean assigns a locker to each student for his/her temporary storage of outer clothing, electronic devices, books and other school items. (For sanitary reasons, food or gym clothing is not to be stored overnight in a locker.) Every assigned locker must have a gold lock which is purchased in the STL Spirit Shop.

Gym lockers are at a premium, students are assigned a locker for their use only during their particular P.E. class. This locker must be carefully locked at all times. All school lockers (including athletic lockers) are subject to inspection by the Administration. Only Red combinations locks may be used in the gym locker room on lockers and may be purchased in the Spirit Shop.

The responsibility of locker security resides with the student who must always make sure that his/her locker is properly closed and fastened with a lock and that his/her key remains his/her own confidential property. The school assumes no liability for theft from lockers; however, any missing articles should be reported to the Dean's office immediately.

Items placed in lockers with no lock, no STL approved lock or left unattended will be confiscated. Items may be picked up in the dean's office. A detention will be issued for failing to follow directions.

All student-athletes will be assigned a locker or changing area for his or her sport in season. Students will change in those areas. Student-athletes who change in other areas, such as classrooms, restrooms, in his or her car, etc. will be given detention for failure to comply.

The school discourages students bringing expensive electronic equipment to school. The wearing of expensive clothing to school is also discouraged. If a student chooses to bring these articles, he/she does so at his/her OWN RISK. St. Laurence will NOT BE HELD RESPONSIBLE for lost and/or stolen articles.

Lost Items:

Classrooms should be checked first for misplaced Ipads, books, keys, locks, eyeglasses or articles of clothing. Lost and found items will be held in the Dean's Office.

Parents and School Records:

In cases where the parents are divorced or separated, the school presumes that both parents have access to the student and his/her records. Regardless of custody, both parents have the

right to inspect and receive a copy of school records and reports in the absence of a court order to the contrary. Mailings and student information are directed to the custodial parent. If the noncustodial parent wishes to receive the same information, a request should be made to Mrs. Murphy in the Tuition Office ext. 217.

Parents' Organizations:

Parental involvement in the school is encouraged (required for financial aid recipients) through membership in the Mothers' Club and Fathers' Club. These are active organizations that have contributed much to St. Laurence over the years through fund-raising and service programs. The Mothers' Club and Fathers' Club meet regularly.

Parent-Teacher Conferences:

Parent-Teacher Conferences are scheduled during the first semester. **During the 2020-2021 school year, Parent-Teacher Conferences will take place virtually in November.** Second semester conferences are by appointment only with the student's teacher(s). Parents should take advantage of the conference as an attempt to help remedy any negative situation before the end of the semester.

Parking:

Students may receive permission from the Dean of Students to park vehicles on the school property, provided they have their parent's written consent. Seniors will have first preference due to the limited number of parking spaces available.

Once a student driver arrives on campus and parks the car in his or her assigned spot, he/she and the passengers are to exit the car and enter the school building. Similarly, once a student driver leaves the school building at the end of classes, the student is to get into his/her car and exit the parking lot. **NO ONE IS TO REMAIN IN A PARKED CAR FOR ANY REASON.**

Any vehicle driven on campus is subject to inspection by school authorities. Students must register with the Dean's office the license plate numbers of all vehicles they might drive on campus, either to school or a school activity.

A permit, which must be displayed on the rear view mirror of the car, will be given to each student after they have registered. The parking permit fee is \$100. A student who chooses to park in the St. Laurence lot does so at his/her own risk. The school will not accept responsibility for damages/theft of vehicles or of property in vehicles.

All vehicles without a parking permit or those parked in an unassigned area or any reserved spot, will be subject to impounding at the owner's risk and expense. Parking on campus is a privilege which may be revoked if abused. **THE SPEED LIMIT IS 5 MPH ON CAMPUS AND IS STRICTLY ENFORCED**

Pick-Up and Drop Off for Students:

Arrival Procedures

During the 2020-2021 school year, the school building will be open for entry beginning at 8 a.m., with the school day starting at 8:30 a.m. We encourage students to arrive no later than 8:15 a.m. to allow enough time to move through all entry procedures. Morning drop off will have all

traffic enter St. Laurence off of Central Avenue with drop off using the south 2 lanes with student parkers using the north 2 lanes. Drop-off traffic will continue along the east drive and out on to 77th Street. Parents are instructed to remain in their vehicles.

Students will be entering through separate wings based on their grade level cohort:

- B Wing - Sophomores
- C Wing - Freshmen
- D Wing - Seniors
- E Wing - Juniors

During a typical school year, students should be dropped off at the Foyer (North) doors in the main parking lot between 6:00-9:00 AM. Students arriving after 9:00 AM, should be dropped off at the main office doors.

Dismissal

The school day will end at 3 p.m. All students are expected to be out of the building immediately and picked up no later than 3:15 p.m., unless they are in sports. Students will exit by their wings. We recommend that parents text or call students at dismissal to let students know where they are parked so students can walk to them. Students being picked up after school should be picked up on 77th street, Central Avenue or outside the B and D wings. Parents should not wait for students in the main parking lot. The main parking lot is for student drivers and school buses.

Prayers and Retreats:

St. Laurence High School is a Catholic high school and is reflective of the Church and its teachings and practices. It assumes that the free choice of a Catholic institution indicates a desire to defer to the Catholic religious program of the school. Therefore, all students, Catholic or not, are required to take and pass the regular theology classes, pray at all religious functions, attend retreats and perform Christian Service.

Each class period of the day begins with prayer.

Retreats are held for freshmen and sophomores on campus. An optional KAIROS retreat program is available to juniors and seniors. While retreat leaders respect the confidentiality that students place in them, there are certain behaviors that these leaders may not keep confidential. This includes information revealing that students are committing acts or plan to commit acts that hurt themselves or others.

Semester/Final Exam Testing Policy

For students who will be going on vacation and requesting to take finals/semester exams early, our policy is to have students take their exams after the scheduled exam time. Arrangements should be made with teachers.

School Telephone:

Students who stay after dismissal for any unexpected reasons are directed to phone home shortly after the regular dismissal hour.

School Work Permit:

Students under sixteen who have the promise of a job may obtain permission to apply for a work permit through the main office.

Spirit Shop:

The Viking Spirit Shop is located in the north foyer across from the cafeteria. It has an extensive selection of design sportswear, casual wear, school polo shirts and various other school related items. **To begin the 2020-2021 school year, the Viking Spirit Shop will be open by appointment only.** During a typical school year, the Viking Spirit Shop is open on Tuesday and Thursday mornings before school.

Standardized Testing Program:

In addition to the standardized examination given to 8th graders for program placement in freshman year, each student is given a series of standardized tests throughout his/her tenure at St. Laurence. St. Laurence has offered an ACT preparation class to junior students. The class has consisted of a 10 week course in which students take 4 ACT practice tests. **During the 2020-2021 school year, St. Laurence will make every effort to offer this preparation class, but the structure of the course may be adjusted.**

Student Activities:

Student activities are divided into the co-curricular and the extracurricular. These are further divided into religious, cultural, athletic and various other activities. Students are encouraged to participate in extracurricular activities, not only because such participation will develop intellectual, athletic and artistic talents, but also because the effort to excel and compete as an individual or as a member of a team builds personal pride and gives the student the opportunity to test his/her abilities and talents in genuinely challenging situations.

Students involved in activities generally feel more at home in the school and take a serious attitude toward their studies. **The majority of co-curricular and extracurricular activities will take place virtually for at least the first semester of the 2020-2021 school year.**

The co-curricular religious activities available to students are: regularly scheduled Masses, an opportunity for the Sacrament of Reconciliation, retreat and religious vocation counseling.

A co-curricular cultural activity available to students is Instrumental Music. The purpose of the St. Laurence High School Band is to give the members applied knowledge of music and to perform for school functions. Public performances include concerts, parades and half-time shows at the football games, contests and a yearly concert tour.

Extracurricular activities are engaged outside of school hours. Students remain after school daily to participate in one of these various school activities. Students must be present for half of their classes in order to practice with the team or participate in a school activity on that day. Various other activities are pursued during the after school hours. Among them are: Drama, Yearbook, Math Team, Scholastic Bowl Team, Student Council, National Honor Society, Liturgical Planning Committee, Chess Team, Bass Fishing Club, Comedy/Improv Club, Ski Club, Sports Media Club, Lab Assistant Program, Rock Climbing, Spanish Club and Science Club.

Interscholastic athletic activities engaged in on all levels of competition are football, basketball, wrestling, cross-country, track and field, golf, bowling, hockey, soccer, tennis, volleyball, softball, baseball and lacrosse. No student is required to participate in any one of these sports in order to try out for another.

The Illinois Board of Education medical form and parental permission must be certified before the student will be allowed to try out, practice or be on a team. To be eligible to participate in interscholastic competition and practice, a student must be achieving a passing grade in four subjects. As a member school, all St. Laurence athletes should be well acquainted with the IHSA eligibility rules. IHSA and NCAA rules are posted in the STL Athletic Handbook.

Student Council:

Student Council exists to help promote faculty-student cooperation, to aid in student government and to further the welfare of the school in general. The Student Council is the official student representative body and is the medium through which all individual student requests and suggestions are brought to the attention of the Administration.

The St. Laurence Student Council is composed of a Student-Body President, Vice President, Secretary, Treasurer, Parliamentarian and Public Relations Representative. In addition, class-councils for each year are elected. Student Council meetings are held weekly. In addition, special meetings may be called throughout the year.

Student Photos and School Rings:

Throughout the school year, photographs and videos are taken of students as relating to school matters such as, but not limited to, honors received, academic achievements, school activities and organizations, newsworthy accomplishments and marketing. These photos are sent to newspapers (for publication) and the STL web page. If you do not wish photos and videos of your son/daughter to be used in any of the aforementioned ways, you must notify the school in writing by September 1st..

Also, the school photographer and the school ring (Herff-Jones) will mail out reminders of their services throughout the year. If you do not want your address to be given to the companies, you must notify the school in writing by September 1st .

Team of Teams:

The mission of the Team of Teams Program is to provide St. Laurence students with an opportunity to be involved through teamwork in accomplishing goals they would have not been able to do on their own; to create stronger bonds and a sense of unity; to promote cooperation and friendly competition; and to motivate each other for success.

Teams will consist of students of all years selected at random with a faculty/staff mentor. Teams will meet for one week during each quarter (9 weeks) to accomplish the mission of the program. Teams will have opportunities to compete in challenges, projects, competitions and develop service and advocacy programs. Teams who go above and beyond will be honored at the end of the school year.

During the 2020-2021 school year, the structure of Team of Teams may be adjusted to account for cohorts and the possibility of virtual learning.

Transfer-In:

Students who transfer into St. Laurence once a semester has begun will be required to pay the entire semester’s tuition and fees.

If a student transfers from St. Laurence before the start of the second semester, he/she will only be charged for half of the base tuition and half of the applicable fees. If a student transfers out during the second semester, he/she will be charged the full tuition and fees. An official transcript will be forwarded to another school once all financial obligations have been met and the student’s I.D. card has been returned. A transfer out exit process will begin with the Director of Student Success.

Transportation:

Transportation to and from school is the responsibility of the student. Student absence because of lack of convenient transportation is usually an unexcused absence. Students should not use UBER, LYFT or other transportation services to travel to or from school without the written permission of a parent/guardian.

The faculty and staff will set standards for proper use and will actively pursue their adherence. Nevertheless, it is possible for users of the Internet to access inappropriate information. Although our supervisors will try to limit access so that users view only appropriate material, computer security cannot be made perfect. It is possible that a determined user can make use of resources for inappropriate purposes.

The internet is a global resource without quality control. All users are encouraged to carefully evaluate information obtained via the internet for the following reasons:

- Information on the Internet may or may not be reliable, from a reliable source, or up to date.

 - o Warning and/or dismissal for the day and/or detention.
 - o Suspension from the Reilly Computer Center and/or the Learning Research Center for a prescribed period of time.
 - o Permanent loss of internet privileges.
- The above graduated list of sanctions is based on continued minor infractions. If the student’s action is considered serious, the earlier sanctions may be bypassed.
